CENTURY

1965

LINDA L. SULLIVAN

Our hand control the rudders.
The river now divides,
And next we see the places
Wherein one's future lies.

We see a stream both calm
and cool.
And some will go that way.
But if one through the rapids
goes
He'll find a sunlit bay.

And in the bay lie all his hopes,
His wishes, dreams come
true.
Just travel through the rapids,
And you'll find the place for you.

POEM TO SENIORS

Of tonight memories will be made.

We shall remember all that we can,
But we shall misplace a word,
A song, a sigh.

Tonight will be a wonderful night,
A night we have waited for, dreamed of.
We shall tomorrow and tomorrow relive
These moments. Now live them to the full.

For we can never return to this night,
Never to this very night.
We can never sit here like this again,
Hear these words again,
See one another like this again.

But of tonight memories will be made.

MRS. MARIANNE MENZ (WESTLAND)

Mrs. Menz was a young and talented artist who devoted her time to teaching students in grades 4-8. She was not only a teacher, but a friend willing to help anyone who needed it. She had a glowing personality which appealed to many, especially to the young. People respected and loved her. We cherish the memory of the three years in which we had the privilege of having her at Newfane Central School.

AMERICAN FIELD SERVICE

Jens Peter Panthen left his home in Hildesheim, Germany with one hundred other students to make his home in Newfane, and become Newfane Central School's fourth American Field service foreign exchange student. Jens adapted quickly to our American customs and was eager to express his ideas. A greater understanding was developed through informal everyday talks as well as through arranged speeches with various groups in the community. We were fortunate to have Germany's excellent representative this year.

The American Field Service Student Committee has the responsibility of raising the funds to bring an exchange student to Newfane and to make the student welcome in the school. This year we assisted the Adult Committee with the A. F. S. Apple Festival. An apple pie baking contest was won by Mrs. Harold Brandt. The elementary school and Mr. and Mrs. Bill Miller provided entertainment for the evening. There were talent performances by the queen candidates of which Susan Vary was the winner.

The committee also presented a school party, "Cupids Capers," in honor of "Suki", a Japanese exchange student visiting Newfane from Orchard Park High School. The highlight of the evening was a dance contest in which Suki and Jens were the winners.

This summer Newfane will be host to many A. F. S. students who are taking a final bus tour of the eastern United States before they return home. The committee will be instrumental in providing activities for the students and introducing them to the community.

The 1964-65 school year has been successful and the committee is looking forward to next years' students and activities.

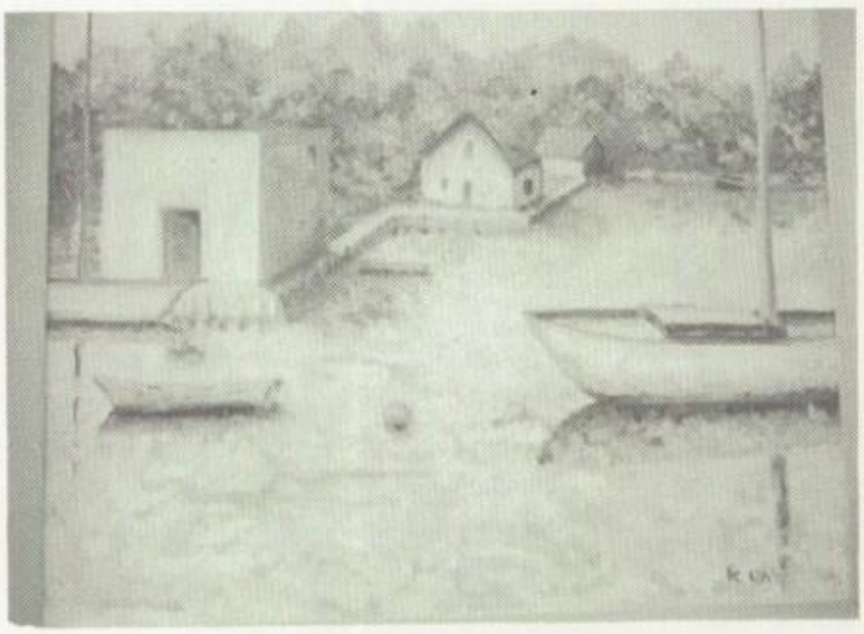
Paintings at School by Mrs. Ruth Day



RUTH CARMAN DAY

Teacher - scholar - friend. So few are blessed with a capacity for being each of these, and that in full measure. Ruth Carman Day has left her mark on her school and community. She fought her adversities with the same vigor, the same grace, the same indomitable spirit which characterized her professional and social activities. We benefit from her having come our way. We sorrow our loss.
